

Instructions/Recommendations:

Level 1 Hindi Students need to focus only on the “Basic List”

Level 1 students need to develop the recognition of the English to Hindi and Hindi to English meaning of the words. They do not need to focus on writing these words in Hindi.

Basic and Advanced list is a requirement for Level 2, 3 & 4 Students

Level 2,3 & 4 students should first focus on the basic list and once mastered, should graduate to “Advanced List”.

Students in level 2, 3 & 4 need to understand the Meaning, Matra and master the ability to write the words in Hindi.

For the qualifiers on March 20th , all students will be tested on understanding and ability to explain the meaning of an English word in Hindi or vice versa.

For the final round on May 1st all students (Except Level 1), will be tested on ability to write the words in Hindi.

More information and details on the final round will be provided in subsequent weeks.
